# Simpson and Staff Lead NHS

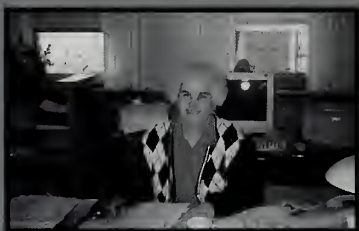

Mrs. Clark is the VP who does the mega job of scheduling all students, teachers, and classrooms.

Dr. Gillinwaters is also a VP. She is concerned with the financial status of NHS activities.

As VP, Mrs. King coordinates activities and is in charge of upkeep and repairs.

Guidance Director Ms. Storms makes students aware of funding and requirements for futures.

Mr. Simpson enjoys a good rapport with staff and students. He works hard to make NHS a worthwhile and pleasant place to attend. The tragedy at Columbine sent ripples of fear and threats to NHS to make his job harder.

Ms. Benedict and Ms. Williams are social workers who steer our students through rough times.

Deans Boatright and Franceschini help students to realize the consequences of their acts.
